FAMILY SERVICES & THE KIDS ZONE

A dedicated Family Services area will be available in the Fan Village next to the Kids Zone, including an area for nursing mums, and for diaper changing stations.

SENSORY SPACE

We want everyone to feel at home at LIV Golf. We strive to ensure every guest feels comfortable and supported. For those who prefer a calm, low-stimulation environment, the Sensory Zone in the Fan Village provides a quiet retreat from the excitement. We proudly support Hidden Disabilities Sunflower programme. Sunflower lanyards are available at both the Family Services area and the Sensory Zone for guests who wish to discreetly indicate a hidden disability.

The Savour Stage in the Fan Village will feature leading South African chefs Ollie Swart and Reuben Riffel presenting signature dishes across the weekend, hosted by Jo-Ann Strauss.

TRAVEL SMARTER

We're working to reduce the impact of travel wherever possible. Fans are encouraged to travel via our Park & Ride shuttle network rather than driving individual vehicles. Operating from various pickup points across Johannesburg, these buses help to minimize local congestion and overall event emissions.

SUSTAINABILITY & IMPACT

At LIV Golf South Africa, sustainability is more than a goal, it's built into every detail of the tournament. Our commitment to the region extends beyond the course, focusing on environmental responsibility and meaningful community investment. By attending, you are supporting a legacy of social impact and resource conservation that benefits the local landscape long after the final putt.

- Your attendance supports the employment and training of 100 members of the Diepsloot community in event operations, providing fair-wage opportunities and transport. This initiative is designed to provide critical life skills and long-term career inspiration within the local area.

- Help us support the local community by using the designated recycling points located throughout the venue. All revenue generated from our supplier's recycling processes is donated directly to residents in Diepsloot to support local development.
- To ensure our impact stays local, all excess high-quality food from the tournament is recovered and donated to community members in need. This process minimises landfill waste while providing direct nutritional support to the local communities.
