SUSTAINABILITY & IMPACT

At LIV Golf Singapore, sustainability isn't an add-on, it's part of the experience. From what you eat to how you move around the course, every small action adds up.

EAT GREEN, FEEL GOOD

Look out for plant-based food options around the course. They're tasty, planet-friendly, and a great way to try something new together.

THE SUNFLOWER PROGRAMME

LIV Golf Singapore proudly supports the Sunflower Programme, creating a more inclusive and welcoming environment for guests with hidden disabilities. Keep an eye out for sunflower-friendly signage and staff ready to help.

BRING A BOTTLE. MAKE A DIFFERENCE

Single-use plastics are banned at Sentosa Golf Club, saving over 150,000 bottles a year. Bring your reusable bottle and refill at our Bluewater water refill stations to stay cool and hydrated.

TASTE LOCAL

The Fan Village features local food partners and regional favourites, supporting homegrown businesses while keeping food miles low.

MEET THE BEES

Visit the Fan Village to learn about local honeybees with Bee Amazed. Kids can discover how bees help our planet through fun displays, live bees, and honey tastings.

LEARN AS YOU GO

Keep an eye out for sustainability signs around the course! They're designed to help kids (and adults!) learn simple ways to care for the environment while enjoying the game.
