FAMILY SERVICES & ACCESSIBILITY

LIV Golf Hong Kong is a family friendly and accessible event. Click [HERE](#) to view all family and accessibility areas.

Free entry for children age 12 and under with an adult grounds pass ticket, up to 2 children per adult.

IMPACT & SUSTAINABILITY

We've set up 10 drinking water stations across five locations around the course. Help us comply with Hong Kong's new Eco-Responsibility Law by bringing a reusable plastic bottle.

If you're using a single-use bottle, please finish your water before recycling it—every drop counts!

Do your part to reduce landfill waste by using the recycling bins on-site. Your waste will be recycled into new products, incinerated for energy, or composted into organic fertilizer.

LIV Golf Hong Kong is powered by 50% biodiesel, made from vegetable oil, cutting CO2 pollution by 40%. For the best way to get to the course, hop on our free shuttles or take the MTR to help reduce emissions.

In celebration of International Women's Day, we hosted a women and girls' golf clinic coached by Hong Kong Golf Club and a panel discussion with women leaders who spoke on personal journeys, representation, and role of women in golf.

We also welcomed local non-profits and schools to Hong Kong Golf Club for a Potential, Unleashed activation. Participants went on a nature walk to learn about the connection between golf and biodiversity, took part in a clinic with Iron Heads GC, and engaged in an educational activity through LIV to Learn.

At the Feast at the Fan Village, fans can enjoy daily live cooking demos from Hong Kong's top chefs, highlighting the value of going local.

Sessions are 11:00-11:30am and 2:00-2:30pm each day.

PROHIBITED ITEMS

Only refillable water bottles with a capacity of 1 litre or under are permitted into the venue. Please click [HERE](#) to see all listed prohibited items in the FAQ.
