# SUSTAINABILITY & COMMUNITY IMPACT

At LIV Golf Miami, we are aiming for 80% of our waste to be diverted from landfill. Help us reach this goal by making use of the recycling systems provided. But should you miss, we have hired a sorting team that will help do the hard part. Volunteers will be chipping in to help us reach our goals. Continue to keep it Green!

LIV Golf Miami is held during the week of National Food Waste Prevention Week. All excess food from LIV Golf Miami will go to support our community in need. By donating this food to Good Rescue US South Florida, we can feed hundreds of people across the Miami Dade area.

The Sunflower Program is an initiative that provides individuals with hidden disabilities—such as autism, anxiety, or chronic illnesses—with a discreet sunflower lanyard or badge, signaling to staff and others that they may need additional support, patience, or assistance. At LIV Golf, the program can be used to enhance accessibility and inclusivity for spectators, players, and staff with hidden disabilities. By training event personnel to recognize the sunflower symbol, LIV Golf will ensure a more supportive experience, offering accommodations for those in need.

The Sensory Room, located in the Imperial Ballroom, provides a relaxing and calming space for kids of all ages. Featuring soft bean bag chairs, soft flooring, a weighted blanket, and a soothing essential oil diffuser, this area promotes calmness and security. A light-up plush pillow adds gentle visual stimulation, while a selection of fidget toys offers tactile engagement for self-regulation. Designed for relaxation and quiet sensory exploration, this space helps children feel comfortable and at ease.
